## Shock the Monkey...

By Nic Farey, current FAAn Awards Administrator

“The Incomplete Register” is published as a FAAn Award voters’ guide and should not be considered to be a definitive list of what you can and cannot vote for. My sources are primarily Bill Burns’ [efanzines.com](http://efanzines.com), Guy Lillian’s listzine ‘The Zine Dump’ and also paper zines and pdfs (or links) personally received. As I can’t possibly be aware of everything, all votes received will be counted in good faith, subject to proper categorization.

Having been subject to mockery for previous genuine attempts to define “fanzine” for the purposes of these awards, it’s now simply the case that, within the fanzine community, “we know one when we see one”. The administrator retains the final say, however, and correspondence may be entered into for this purpose. Categorization of fanzines in the listings are, however, considered definitive.

The awards are sponsored by the current Corflu, which for 2023 is Corflu Craic in Belfast, Northern Ireland, which is where the results will be announced. Details at [corflu.org](http://corflu.org) .

Thanks again to Bill Burns, John Coker, Dave Langford and Mark Plummer for additional compilation assistance, corrections and clarifications.

# 2023 FAAn Awards: Procedure

The sole criterion for a FAAn award vote is that work should have been published for the first time in the calendar year 2022. This includes collections of older material in a new format.

Each category invites you to vote up to five of your favorites of the year. If you wish to do so, you may check **one** selection as your “top choice”, which will then receive a bonus point toward their tally. Please be clear and obvious if you do this by designating “#1” or using an asterisk or similar.

You do NOT have to fully complete the ballot. Fill in as many (or as few) categories and slots as you are comfortable with. You do NOT have to be a member of Corflu or anything else for that matter. Voting is open to anyone with an interest in fanzines.

You do NOT have to have read or received any minimum number of fanzines to vote, although of course we encourage you to check out the contenders.

Use of the form on the following page is NOT required. Voters may alternatively send a simple list of their preferences to the award administrator by the deadline.

## NOTE:

After previous issues with occasional anonymous ballots, all voters are now asked to clearly supply their names and contact details (physical or electronic). **Ballots lacking this information will be summarily rejected.**

## VOTING DEADLINE:

Ballots should be received by midnight (PST) **Friday, March 10, 2023**
